

## ACADEMIC ADVISING

### Partnering with students to successfully navigate college

**Location:** Main Hall 208  
**Phone:** 719.255.3260  
**Website:** [www.uccs.edu/advising](http://www.uccs.edu/advising)

### Connect With Your Advisor

Current UCCS Students

- Appointments: [www.uccs.edu/advising/current-students](http://www.uccs.edu/advising/current-students)
- Drop In Advising: Most Wednesdays, 1:00pm - 4:00pm

Prospective Students: [www.uccs.edu/admissions/contact](http://www.uccs.edu/admissions/contact)

## GENERAL INFORMATION

UCCS **does not** have a medicine program. **Pre-Medicine Prep** is **not** a major or a minor, but a listing of prerequisite courses and recommendations needed to be eligible for admission to the University of Colorado School of Medicine at the Anschutz Medical Campus in Aurora, CO. **The School of Medicine requires that students have a baccalaureate degree, with at least 120 credit hours, from an accredited college or university prior to matriculation.**

Other schools may have different requirements. Students should check admissions requirements for all schools to which they plan to apply. Completion of prerequisite coursework does not guarantee acceptance into any professional degree.

**Application Information for the School of Medicine**, including contact information, application materials, deadlines, and testing, can be found at: <http://www.ucdenver.edu/academics/colleges/medschool/>

## PRE-MEDICINE INFORMATION

NOTES:	REQUIRED Courses for Application to CU School of Medicine		
	Course/Area	Course Title	Credit Hrs
<p>All courses should be completed with a grade of C or better.</p> <p>The average cumulative GPA of admitted students is 3.7.</p> <p>Many of these courses have prerequisites. Students who have AP or CLEP credit in the basic sciences are encouraged to take upper level courses in those areas.</p>	BIOL 1300/1310	General Biology: Organismic Biology and Lab	4
	BIOL 1350/1360	General Biology: Introduction to the Cell and Lab	4
	HPNU 3050	Human Anatomy	4
	HPNU 3060	Human Physiology	4
	CHEM 1401/1402	General Chemistry I and Lab I	5
	CHEM 1411/1412	General Chemistry II and Lab II	5
	CHEM 3101/3102	Organic Chemistry I and Lab I	4
	CHEM 3111/3112	Organic Chemistry II and Lab II	4
	CHEM 4211	Biochemistry	3
	PES 1010/1150	Physics for Life Science I and Lab I – Algebra-Based	5
	PES 1020/2150	Physics for Life Science II and Lab II – Algebra-Based	5
	Statistics Course	Choose one Statistics course from the list below: BIOL 3000, HPNU 3100, MATH 3100, PSY 2100	3
	<b>STRONGLY Recommended</b>		
	BIOL 3020	Cell Biology	3
	BIOL 3830	Genetics	3
	Computer Science Course	Choose one course from the list below: CS 1120, CS 1150, INFS 1100	3
Ethics Course	Choose one course from the list below: PHIL 1020, 3130, or 3160	3	
MATH courses	Complete at least 6 hours of MATH courses College Algebra and higher.	6	
Social Science, Humanities, or Foreign Language	Complete at least 6 hours from the LAS Area Requirement lists or Foreign Languages. Highly recommended: ANTH (1040), COMM, ECON (1000), FCS, PHIL, PSY, SOC, SPAN, WEST	6
