Current UCCS Students

- Appointments: www.uccs.edu/advising/current-students

- Drop In Advising: Most Wednesdays, 1:00pm - 4:00pm

Prospective Students: www.uccs.edu/admissions/contact

GENERAL INFORMATION

UCCS **does not** have a pharmacy program. **Pre-Pharmacy Prep** is **not** a major or a minor, but a listing of prerequisite courses and recommendations needed to be eligible for admission into CU Skaggs School of Pharmacy & Pharmaceutical Sciences at the Anschutz Medical Campus in Aurora, CO. A college program leading to a bachelor's degree generally strengthens a student's application to the program. Students in the pre-Pharmacy program are advised to choose a major and should plan to graduate with a bachelor's degree from UCCS.

Other programs may have different requirements. Students should check admissions requirements for all schools to which they plan to apply. Completion of prerequisite coursework does not guarantee acceptance into any professional degree.

Application Information for the CU School of Pharmacy's PharmD program, including admissions requirements, contact information, application materials, deadlines, and testing, can be found at:

www.ucdenver.edu/academics/colleges/pharmacy/Pages/SchoolofPharmacy.aspx

PRE-PHARMACY INFORMATION

NOTES:	REQUIRED Science & Math Courses for Application to CU's PharmD Program		
	Course/Area	Course Title	Credit Hrs
<p>All courses should be completed with a grade of C or better.</p> <p>The average cumulative GPA of admitted students is 3.4.</p> <p>Many of these courses have prerequisites. Check the catalog for course details. http://catalog/uccs.edu</p> <p>Advanced Placement (AP) or International Baccalaureate (IB) credit is accepted only if transcript reflects the exact credit earned.</p>	NOTE: Science and math courses must have been completed within the last 10 years.		
	BIOL 1300/1310	General Biology: Organismic Biology and Lab	4
	BIOL 1350/1360	General Biology: Introduction to the Cell and Lab	4
	BIOL 2030	Microbiology	3
	HPNU 3050	Human Anatomy	4
	HPNU 3060	Human Physiology	4
	CHEM 1401/1402	General Chemistry I and Lab I	5
	CHEM 1411/1412	General Chemistry II and Lab II	5
	CHEM 3101/3102	Organic Chemistry I and Lab I	4
	CHEM 3111/3112	Organic Chemistry II and Lab II	4
	CHEM 4211	Biochemistry	3
	PES 1010 OR PES 1110	Physics for Life Science I - Algebra Based OR General Physics 1 – Calculus Based	4
	MATH 1350	Calculus I	4
	Additional REQUIRED Courses		
	ENGL 1310/1410	Rhetoric & Writing I & II	6
	COMM 2100	Public Speaking (online course not acceptable)	3
