MAJOR INFORMATION

Spanish is one of the most spoken languages in the world. It is spoken as a first language by about 352 million people, or by 417 million including non-native speakers. In the United States, Spanish is fast becoming second to English in usage. A language of practical utility, great literature and wide applicability Spanish is becoming a necessary skill for dealing with today's world. A major in Spanish, coupled with a major or minor in another discipline, can open a wide variety of doors for all students.
